PROFILE

A highly energetic, conscientious, and detail-oriented student with a strong and genuine interest in computer science and software development. Comfortable with discussing technical issues and innovative solutions. Dedicated to delivering quality work and leading by example, as well as offering support and actively volunteering, in order to make a difference and contribute to society.

EDUCATION

Bachelor Technical Computer Science | University of Twente (BSA grade 7.75)

2022 – PRESENT

Greek Apolytirion of Lyceum (with Panhellenic exams) | Ekpedeftiria KANTA

2020 – 2021

High School | 1st Lyceum of Amarousiou

2018 – 2020

EXPERIENCE

Full-Stack Developer | Note-Bridge

2023 – PRESENT

Contributed to the development of front-end and back-end components for Note-Bridge, improving functionality and user engagement

- Collaborated closely with the founding team to identify and implement feature enhancements optimizing the platform for user needs.
- Assisted in the integration of third party APIs, broadening the platform's capabilities and improving data connectivity.
- Participated in the agile development process, contributing to spring planning, retrospectives, and continuous deployment efforts.

Game Developer | Prioneto Games

2019 – 2022

Contributed to the development of front-end and back-end components for Note-Bridge, improving functionality and user engagement

- Played a key role in developing both gameplay mechanics and UI elements for indie games using Unity, enhancing engagement and overall game performance.
- Worked closely with the game design team to brainstorm and implement new features, ensuring games are aligned with player expectations and industry trends.
- Integrated third-party APIs and Unity Asset Store tools, expanding the games' features and streamlining the development process.
- Actively engaged in the Agile development cycle, contributing to sprint planning, retrospectives, and continuous integration to optimize the development workflow and ensure timely releases.

VOLUNTEER WORK

Volunteer | Chairman Gebouwenloop Committee, Aloha Triathlon Association 2023 – 2024
